Mothers To Be Guests of Girl Scouts on Sunday

The Girl Scouts of the central Torrance neighborhood will hold their Juliette Low Tea and International Program in the Cafeterium at South High School on Sunday. Mothers of the scouts are guests of the day. Tea will be served from 1:30 to 2:30 and the program will follow. Each of the 17 troops participating have selected a country that is a member of the World Assn. of Girl Guides or Girl Scouts, and will represent that country in the afternoon's activities.

To this bouquet their donation to the Juliette Low World Friendship fund will be attached, and the donations accepted by Mrs. Pat Chance, district chairman for the Harbor District.

FOR THE International program each troop will entertain with a song, dance or skit from or about the country they are representing. The troop numbers and the countries they are representing are: Troop 146, Italy; Troop 1412, Sudan;

Troop 288, Ceylon; Troop 1454, Austria; Troop 540, Ireland; Troop 1794, Australia; Troop 532, Switzerland; Troop 453, Japan; Troop 2008, France; Troop 766, El Salvador; Troop 97, Pakistan; Troop 1107, Germany; Troop 2076, Israel; Troop 1600, America; Troop 236, India; Troop 152k, Netherlands; and Troop 25, Scotland.

SCOTTISH LASS... Tamara Goddard, 13, of Girl Scout Troop 25, does a Scottish dance for Theresa Schrup, 10, Girl Scout Troop 236, left, and Rhonda Runyon, 9, of Brownie Troop 453. Each troop in central Torrance will present a skit depicting a different country Sunday at a tea for mothers in the South High School Cafeterium. The event will be from 1:30 to 2:30 p.m. Theresa's troop will portray India and Rhonda's Japan. (Herald Photo)

The afternoon program will be concluded by all the scouts forming a large circle, linking elbows and repeating: "I am a link in the golden chain of world friendship—scouting. I must keep my link strong and bright."

4,400 See City Phone Facilities

Pacific Telephone employees ushered 4,400 visitors on tours of the company's Torrance information center at 2154 Torrance Blvd. Thursday and Friday.

Manager Dick Pyle said he and his co-workers were pleased with the excellent turnout.

"We were gratified to learn how interested the people of Torrance area in their telephone system," the manager said. "In many places, it is taken for granted."

He pointed out that persons who visit the telephone business office during the year only see one phase of the operation, the handling of their payments.

"The open house gave everyone an opportunity to meet the people and see the equipment involved in the employment and information services available in this fast-growing city.

"We would like to thank once again those who took time out to help us celebrate our 50th year of service to Torrance telephone users," Pyle said.
